## SNAPSHOTS OF DESIGNS

The screenshot shows a web browser window displaying a responsive e-commerce website. The address bar indicates the file path: E:/New%20Folder/Responsive-E-Commerce-Website-main/index.html. The top navigation bar includes standard icons for back, forward, search, and refresh, along with a file menu and various bookmarked links. The website header features a logo with a shopping bag icon and the word "rymo." The main content area has a large background image of a man wearing a black beanie, sunglasses, and a striped shirt, carrying a brown leather bag over his shoulder. A "NEW ARRIVALS" section is visible on the left, followed by a prominent orange banner with the text "Best Price for This Season". Below the banner, a smaller text message reads: "Shorot offers you the most comfortable items for this Spring". A blue "Shop Now" button is located at the bottom left of this section.
